

GRUPO INERZIA

it's life, it's pure Inerzia

Newsletter
November 2013.

On November 13 and in the framework of the European Week for Safety and Health at Work, ISPLN held a Technical Conference with this slogan: "working Together for Risk Prevention, Leadership Management & workers participation. "INERZIA GROUP" was invited to present in the conference best practices that address both workers and the company applied to get hold of the Total Security.

Alongside Inerzia Group, presented their experiences, Proton Electronic Co., Aspace and Residence Home San Jose Corella agreed that the same message, "Occupational Safety were achieved with the involvement and effort of all."
